

Evo: Granite, Sand, Jet, Pearl & Ice

# Evo

*New additions for 2018.*

---

*Character born from tradition.*

Evo has been designed with the appearance of hand-thrown pottery. The variance in colour makes every piece unique. Its homely charm adds a touch of warmth to any tabletop.

Although it may look hand-crafted, Evo is supremely practical. The range includes flatware and holloware, as well as a selection of bowls perfect for sharing menus and bowl food.

New introductions to this extensive range include three sizes of oval plate, a taster and a dipper, providing even more opportunities to mix and match.

Sand, Pearl, Jet and Granite. Add a touch of sophistication with Ice, a new contemporary colour available on a selected number of items.

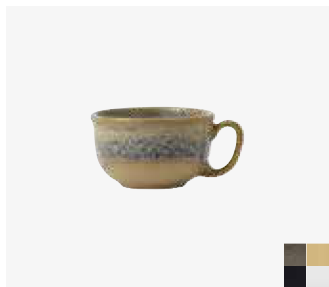

**Your peace of mind.**

As part of our Finest Vitrified Tableware range, all items are covered by the Dudson Lifetime Edge Chip Warranty. (Ts & Cs apply.)\*
