

Geometrix

New additions for 2018.

Shaping up.

Geometrix, with its quirky shapes of plate, bowl and tray is the perfect addition to any tableware service, and items can be chosen to draw attention to speciality or signature dishes.

The new D bowl, although a novelty shape, has a practical purpose. No need to use a knife, because food can be pushed against the straight edge and scooped up onto a fork or spoon. Ideal for bowl or street food, the D bowl combines inventiveness and usefulness.

Mix and match Geometrix shapes into any Dudson range, whether plain white or decorated, for a different perspective on the tabletop.

Your peace of mind.

As part of our Finest Vitrified Tableware range, all items are covered by the Dudson Lifetime Edge Chip Warranty. (Ts & Cs apply.)*
