

Mosaic

Mosaic

New range for 2018.

Be creative.

Long-established crafts have been used for many centuries to add a splash of colour or a textural point of interest to interiors.

Echoing the hand-made story of mosaic as a craft, the reactive glazes of Mosaic produce a variance in effect and colour, so every piece retains a unique character. Although it looks hand-crafted, Mosaic is tough. Tough enough to stand up to everyday use in a professional kitchen environment.

Choose from five colours: The subtle tones of Grey and Taupe have been created to complement the colours of Evo and Harvest Linen; the bolder colours of Blue, Coral and Green have been chosen to lift understated or white tableware by adding a splash of bright colour.

Mosaic is available on a selection of plates and bowls to showcase today's menus and can be easily incorporated into an existing tableware setting. Slot in a couple of plates or bowls to make a big difference to the tabletop.

Your peace of mind.

As part of our Finest Vitrified Tableware range, all items are covered by the Dudson Lifetime Edge Chip Warranty. (Ts & Cs apply.)*
