

Fine China: Rose

Rose

New range for 2018.

Afternoon Tea perfection.

The quintessential floral band has been given a modern shabby chic makeover with Rose. The delicate design has an edgy feel, updating a traditional floral decoration for the 21st century.

Rose is available on a suite of beverage items from Precision, including an elegant footed cup. The fine edge and modern decoration combine to give a contemporary interpretation of the long-established English pastime of Afternoon Tea.

Rose is from the Dudson Fine China range, which combines the delicate qualities of fine bone china with the strength of vitrified tableware.

Industrial dishwasher and microwave safe, Rose will withstand the demands of a busy service in a professional kitchen.

We have confidence in our products.

As part of our Fine China range, all items are covered by the Dudson Lifetime Edge Chip Warranty. (Ts & Cs apply.)*
